

# FACT SHEET

## PROTECTED INDUSTRIAL ACTION

### PARKING OF AFP VEHICLES WITH SLOGANS

#### Is Protected Industrial Action lawful?

Yes. Protected industrial action (PIA) has been approved by the Fair Work Commission. Please only undertake PIA's where you have been notified by the AFPA to do so.

#### What slogans can I write

Please refer to the the Fact Sheet 'Writing Slogans on AFP Vehicles'.

#### Where can I park the vehicle?

When choosing a spot to park, please abide by traffic laws in your state or territory.

Also, please don't park the vehicle where it may obscure any traffic enforcement device. Feel free to park the vehicle 100 metres up the road from the device.

#### Can I take photographs of the vehicle?

100% YES. We strongly encourage you to take photos and send them to the AFPA via [eaafpa@afpa.org.au](mailto:eaafpa@afpa.org.au). Photos will be used on official AFPA social media channels and provided to journalists to increase media exposure.

#### Where can I take photographs?

Be creative and take photos with nice and interesting backdrops. When taking the photo, please consider what and who is in the background. Maintain operational security. Also, please don't place yourself or the community in danger while taking photos.
