Dear AFPA Staff,

The recent Zone Convenor and Workplace Delegate elections (insufficient nominations) and National Executive Casual vacancy election have now been concluded.

In accordance with Regulation 141(4) of the Fair Work (Registered Organisations) Regulations 2009, I can advise a copy of the post-election report for each election is available to any member of the AFPA on request.

You can email afpa@afpa.org.au for a copy of the report.

Thank you to all candidates who nominated and to those who were elected, congratulations.

In unity,
Alex
